

Princeton Montessori School
Annual Campaign 2011-12
“Wants-n-Wishes”

The Princeton Montessori School embraces individuality and fosters character traits in children that lead them to be purposeful, confident and determined adults. Our graduates move on to the next stage of life with choices and a belief in themselves.

Annual Giving

Gifts from the Annual Campaign bridge the gap between tuition revenues and the cost of keeping pace in today's modern society. We rely on donations from Trustees, Parents, Faculty, Staff, Alumni, Grandparents and Friends to support the necessary enhancements that keep Princeton Montessori School progressive and make it a very special place for children.

*We hope you make Princeton Montessori
School a philanthropic priority for your family.*

Wants-n-Wishes

Many have asked if we have special requests from teachers.

The answer is yes!

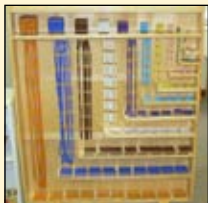

Specific requests from teachers for materials or program enhancements are listed here. Further details are available on our website at www.princetonmontessori.org. If you choose to sponsor a specific item, you will be recognized with a post in the Beat Online and a listing on our website.

Special requests made by teachers are listed below. Consider making one of these wishes come true! For more details, or to sponsor an item, visit our website at www.princetonmontessori.org. For more information, contact Andrea O'Brien at aobrian@pmonts.org or 609-924-4594 x221.

Gifts of Gratitude

When you donate a gift of \$1,000 or more, you may recognize a special teacher or staff member for making a difference in the lives of children. Recipients will be honored with a stone placed in the beautiful Montessori Milestones Garden and a card will be sent to them in your name.

Gifts made to the Annual Campaign have a direct impact on the everyday lives of students and are used for program enhancements, professional development for our exceptional faculty, and sustaining our beautiful environments. Like most private schools, tuition does not cover all of the costs of providing services to our children. The Annual Campaign makes up the difference between tuition revenue and the actual cost of educating students. Unlike tuition, donations to the Annual Campaign are tax-deductible.

When you participate in the Annual Campaign you continue to support the school's mission and goals. Large or small, each gift to the Annual Campaign is meaningful and every member of The Princeton Montessori School community is asked to give. One of our goals this year is to achieve 100% participation from Trustees, Parents, Faculty, Staff, Alumni, Grandparents and Friends. Giving from those who know the school best is an extremely important indicator of our strength. Complete commitment from within our own community is an important endorsement for those in the broader community considering a gift to the School. Help us reach our goal of \$100,000!
