Dear Princeton Montessori School Parents, Grandparents, Alumni, Faculty, Staff and Friends,

We are pleased to kick off our Annual Campaign "**Wants-n-Wishes.**" This year, we hope to reach \$100,000; a realistic goal given the past philanthropic history of the Princeton Montessori School community.

Gifts made to the Annual Campaign have a direct impact on the everyday lives of students and are used for program enhancements, professional development for our exceptional faculty, and sustaining our beautiful environments. Like most private schools, tuition does not cover all of the costs of providing services to our children. The Annual Campaign makes up the difference between tuition revenue and the actual cost of educating students. Unlike tuition, donations to the Annual Campaign are tax-deductible.

Support of our Annual Campaign helps Princeton Montessori School provide the best possible education for all students, and so the entire school community is asked to contribute. We realize that each family situation is different, and therefore our goal is for every family to participate at a level that is comfortable for them. Every gift is gratefully accepted regardless of the amount. If every family contributes \$300-\$500 to the Campaign, we can certainly surpass our goal of \$100,000.

New this year, families have the opportunity to sponsor an item from the teachers' "**Wants-n-Wishes**" list described in the Annual Campaign brochure or online at [www.princetonmontessori.org/annualcampaign](http://www.princetonmontessori.org/annualcampaign). Please consider sponsoring one of these teacher-requested items.

On December 13, 2011 from 6:30-8:30 PM, we hope you will call in to our Annual Telethon at 609-924-4594. Campaign Leaders will be available to take your call and accept your donation. Or, you may give a gift anytime online at [www.princetonmontessori.com](http://www.princetonmontessori.com). You may also give click on "**Give a Gift,**" or by sending a check in the enclosed envelope. Within the next few weeks and months, a Campaign Leader will call you to personally thank you for your gift or ask for your financial support of this year's Annual Campaign "**Wants-n-Wishes.**"

We look forward to your continued support of the Princeton Montessori School. Please feel free to contact us with any questions.

Sincerely,

George Plasko
