

## 2023-24 Infant Program Tuition & Fees

The Infant Program (8 weeks-18 months) is open from 8 AM to 6 PM. (minimum of six hours per day) 7:30-8:00 AM available upon request.

Infants thrive when there is consistency in their daily routine. Predictability in their daily routines helps them develop trust and confidence, therefore, giving them the freedom to be active explorers. We are offering a benefit to parents who choose 12-month programs as we believe it is in this consistency that our infants can thrive and blossom.
