

# THE Pmonts ECO TEAM

Grant, Bea, Saharsh, Amrritha, Francisco

## **Mission**

The Princeton Montessori Eco-team's mission is to influence, educate, and inspire our community to become more sustainable and to make a significant, positive impact on the environment, preserving it for future generations.

The Eco-Team will accomplish this by creating inspirational and educational material, presenting information to the community, and completing relevant tasks.

## **Goals**

To write 1 article for the School Green website that educates and inspires our community.

To create one video per trimester that will educate and inspire our community.

To undertake and complete relevant tasks in support of the Ecoschool program and/or to make the school more sustainable.
